

**Violetta Latham, KN2P**

Violetta was first licensed as KM4ATT in 2014, followed by an upgrade to General and Extra by the age of 10. She was later granted the vanity call of KN2P.

From a young age, she has been active in contests on a national and international level, operating from contest stations such as K3LR, W3LPL, PJ2T, and J62K. Recently she has been involved in DXpeditions, the first significant operation being from North Cook Islands on the E51MWA team in October 2025. She will be joining the ZK3 DXpedition to Tokelau in November 2026 as well as the VP0SG team to South Georgia in March 2027.

Violetta is pursuing a career in aviation, working full time as a single and multi-engine flight instructor as well as an aircraft mechanic apprentice. She is finishing her degree in Aviation Management and plans to fly private jets in the future.
