MacLoggerDX

The image shows a contest log entry for a POTA (Portable Operation) station. The call sign is NK40 EL95SP. The log entry is for a QSO with K3MTO on 2026-01-11 at 14:34:35 UTC, on 7.036.00 MHz, with an RST of 579, in CW mode. The location is 14901 SW 150 ST, Miami, FL, USA, 33196. The background of the log entry is a scenic sunset over a body of water with palm trees and two Adirondack chairs in the foreground.

SST Sunday/Friday

K1USN SST

Weekly CW **S**low **S**peed [Con]**T**est

— · — · — — · — —

Members of the K1USN Radio Club, who are also members of the [CW Operators' Club \(CWops\)](#), run a one-hour *slow speed* CW “contest,” called the SST.

For those who prefer a more leisurely CW pace or are new CW operators or testers, this just might be what you're looking for!

US Daylight Savings Time (DST) ENDED Sunday Nov 2nd,

2025 at 2AM and returns to US Standard Time

SST UTC times do not change:

Fridays 20:00-21:00 UTC: 3-4pm EST

Mondays 00:00-01:00 UTC: 7-8pm EST

Sunday

K1USN SST
Please join us!

MST MONDAY

MST Contest

The ICWC is pleased to sponsor a contest called the MST (Medium Speed Test) to help populate the CW bands with activity on Mondays and Tuesdays at the speed of 20-25wpm. The more activity heard on the CW bands the better chances we have to preserve them. The speed was chosen to appeal to more operators. We look forward to participation worldwide, especially among all the Council member organizations.

CQ WPX RTTY Contest		<p>Welcome to 3830scores.com. The site's purpose is to make it easier for contesters to share their claimed scores (score rumors) and comments immediately after a contest. Score submissions are stored in the score rumors database (as they have been since February 2002).</p>			
CWops Test (CWT) - 1300Z Mar 4		Score Forms			
CWops Test (CWT) - 1900Z Mar 4		Links to the score reporting forms for current and recent contests are shown in the left navigation column. The ability to define and save default values for form fields unlikely to change from contest to contest is available via the <i>Preferences</i> link found in the horizontal navigation menu near the top of the page. So that the database can be kept up to date, you are encouraged to also use the forms to submit corrections to your original postings.			
CWops Test (CWT) - 0300Z Mar 5		Score Summaries			
		Summaries of all submitted scores for current and recent contests are immediately available by clicking on the appropriate link at the top of this page. In addition historical summaries of past contests are available for major contests back to 2002 and for all contests back to 2007 via the <i>Contest Summaries</i> link. Line scores, band/mode breakdowns and compilations of comments are easily accessible for any contest.			
		Search			
		To easily search the score rumors database for all postings associated with an operator's call sign or the call used, enter the call in the search box above the menu bar and click on <i>Search</i> .			
		Compare Scores			
		The scores for multiple combinations of calls used and contest editions (e.g. contest years) can be compared by clicking on the <i>Compare Scores</i> link that is available at both the summary and individual claimed score levels. This means that the results for the same call can be compared across multiple years or several calls can be compared for the same year.
